**ORDER**

15 On March 8, 2007, the United States filed a Motion to Require the Defendant to Supply  
16 Exemplars of Handwriting. See Docket No. 12. The Court ordered the Defendant to file a  
17 response to the motion no later than March 14, 2007. To date, however, the Defendant has not  
18 filed an objection to the motion. Based on the representation of the United States that certain  
19 handwriting exemplars of the Defendant are necessary and relevant in this proceeding,

20 IT IS HEREBY ORDERED that the Defendant provide handwriting exemplars in such  
21 names and numbers as may be requested by the Federal Bureau of Investigation agent, and that  
22 such exemplars be used solely as a standard of comparison in determining whether the  
23 Defendant is the author of certain writings.
